Finally, thank you to our Parish Council for hosting a delicious end of year Barbecue!!

Goyan

Our Goyans joined the choir during liturgy today, the birthdate of our church, and shared their beautiful voices with the community.

Afterwards, at the barbecue, they led a sing along inviting all the youth AND Father Bill in their rewritten version of a Maroon 5 song retitled, "God Loves You."

A most sincere and heartfelt Thank You to Angela Hajiyeou and Georgene Griffen for all of their years teaching our Religious Education Students. Anyone walking into their classroom could feel the love they have had for all of their students. We will miss them dearly, and appreciate all of their hard work and dedication.

PS- Anyone interested in joining our teaching team? We have 2 openings.
