

Nicholas Resavy

My name is Nicholas Resavy and I've been a member of St. Nicholas since the day I was born. At seven years old, I started as an altar boy and served during the Consecration in 1998. I also enjoy volunteering during the festival with the rest of our parish, as it is a very busy but fun and successful weekend for our church. I graduated from Syracuse University in 2012 and am pursuing a career in coaching basketball. My family

has been involved deeply in the church ever since I can remember and I am excited about the potential of continuing in their footsteps. I am excited about running for parish council because I grew up in the church and enjoy spending time there, and am motivated to take that to the next level in a leadership role. Thank you for your consideration.
