

NICK PIRSOS

My name is Nick Pirsos a 15-year parishioner at St. Nicholas (Wyckoff) and I am asking for your support in this year's Parish Council election.

Presently, I am finishing my first three-year term on the Parish Council, in which I served as both Treasurer and Assistant Treasurer, as well as, Festival Co-Chair for years 2015-17. My volunteer work at St. Nicholas also includes Usher (5 yrs), GOYA Asst. Boys basketball coach (4 yrs.), and AHEPA member (5 yrs).

I want to continue to serve on the Parish Council to assist in further developing the great achievements accomplished in recent years including enhanced Fellowship, increased Outreach, greater communication/transparency, improved financial positioning, and upgrade of our church's physical property.

I earned my BA from New York University majoring in Finance and International Economics and my MBA from Pace University in Portfolio Management.

My wife Stephanie is an elementary school teacher in Upper Saddle River and my children, who were active members of St. Nicholas' Sunday school program and GOYA, are Nicholas (Sophomore at University of Rochester) and Alexandra (Freshman at Elon University)

Thank you for your consideration.
